Celebracion De Le Vida Futura Help

Game Description

General Information

- Celebracion De La Vida Futura is a 5x3 Videoslot with quite lucrative features in the Main Game and Free Spins.
- The game has 20 Paylines with Falling Wild Feature and Wild on Wild Feature in the Main Game.
- The theoretical RTP for this game is 95.12%.

Symbols

- There are 10 symbols in the game, comprising 2 high-paying, 2 mid-paying, 4 low-paying, a Wild symbol and a Scatter symbol.
- Wild symbol substitutes any paying symbol in the winning combination. Wild doesn't substitute Scatter symbol.
- 3, 4 or 5 Scatter symbols anywhere on the reels triggers 5, 7 and 10 Free Spins respectively. Free Spins can be retriggered.

Payouts

- Wins are paid based on combinations of identical symbols and wilds on a payline.
- Winning combinations start from the leftmost reel and the symbols must be consecutive along a payline.
- Wins are multiplied by the Line Bet.
- Only the highest win pays on each payline.
- Coinciding wins on different paylines are added together.

Free Spins

- During the FREE SPINS the reels spin automatically with the same line bet as the spin that won the FREE SPINS.
- The bets are not subtracted from your balance during the FREE SPINS.
- Wild Symbol anywhere on the reels during Free Spins will expand to cover the entire reel and also awarded +1 Free Spin.
- Wild expansion in Free Spins also converts the low priority symbol into the next high priority symbol which will be there from the next spin.

Falling Wild Feature

- Falling Wild Feature is available only in Base Game.
- After a Wild symbol appears on the reels and all bet wins are awarded for that spin, each Wild symbol shifts down one position on the reels and a Falling Wilds Re-Spin is awarded only in the main game.
- Wild symbols continue to activate Falling Wilds Re-Spins until they disappear from the reels. A Falling Wilds Re-Spin is still awarded on the round when the last Falling Wild symbol falls off the reels on the bottom row.

Wild on Wild Feature

- Wild on Wild Feature occurs only in Base Game.
- In the main game, the Wild on Wild feature is activated when a Wild symbol lands behind a Falling Wild.
- When the Wild on Wild feature is activated, the affected Wild symbol will expand to cover the entire reel and all bet wins are awarded for that spin. Each Wild symbol shifts down one position on the reels.
