GAME INFO

Game Name: Hot Winter Nights

GameID: HotWinter89
Release Date: March -15,2022

Hot Winter Nights is an attractive game with the beautiful female characters having Main Game, Free Spins & Walking Wild Respins with Incremental Multiplier. There are 12 symbols in the game, comprising 3 high-paying, 3 mid-paying, 4 low-paying, a Wild symbol and a Scatter symbol. Wild substitutes for all other symbols except Scatter. The game is played with a dynamic paytable. All the pay lines will be paid as per the paytable. The Scatter symbol appears on all reels. 3 or more scatter symbols in any position trigger Free Spins

5, 4 or 3 Scatter symbols anywhere on the reels trigger 12, 8 and 5 Free Spins respectively.
If Free Spins and Walking Wild Re-Spins with Incremental Multiplier are triggered together then Free Spins are completed before the Walking Wild Re-Spins with Incremental Multiplier.

WALKING WILD RE-SPINS WITH INCREMENTAL MULTIPLIER:

After a Wild symbol appears on the reels and all bet wins are awarded for that spin, each Wild symbol shifts one position from right to left with an increment of +1 in the Wild Multiplier.

Wild symbols continue to activate Walking Wild Re-Spins until they disappear from the reels.

When a wild symbol lands behind the Walking Wild then Wild Multiplier is incremented by +2.

Walking Wild Re-Spins with Incremental Multiplier can occur in Base Game and Free Spins.

Wild Symbol appears only on 2, 3, 4 and 5 reels.

Free Spins triggered during the Walking Wild Re-spins will be completed before the Walking Wild Re-spins feature.

Default Walking Wild Re-Spin Multiplier is x1 and Maximum Multiplier Value is x9.

If Scatter Symbol lands behind the Walking Wild then Wild will act as a substitute and participate in the win.

The walking wild multiplier is only applicable to the line wins substituted by the walking wild symbol.

Free Spins:

5, 4 or 3 Scatter symbols anywhere on the reels trigger 12, 8 and 5 Free Spins respectively.

If Free Spins and Walking Wild Re-Spins with Incremental Multiplier are triggered together then Free Spins are completed before the Walking Wild Re-Spins with Incremental Multiplier.

Walking wild re-spins with incremental multiplier can be triggered during free spin.

If Walking Wild Re-Spins with Incremental Multiplier is triggered during Free Spins then Walking Wild Re-Spins with Incremental Multiplier will be completed before the Free Spins.

During Free Spins, 3, 4, or 5 Scatter Symbols anywhere on the reels trigger the original number of Free Spins.

Free Spins are played at the same Lines and Bet of the triggering spin.
