**Description:**

**Book Of Souls II: El Dorado** is a high volatility, feature-rich 5X3 videoslot with ten paylines and a maximum win of over 20,000X.

Our heroic and beautiful British explorer, *Lara Jones*, is back on a new quest to discover the incredible golden riches hidden deep inside an ancient Mayan tomb, using the ancient Mayan, Book of Souls as her guide.

The **El Dorado Cascade** feature, when triggered, sees all winning symbols replaced from above in a sequence only brought to an end if the resultant new reels do not produce a win. This can create panels that trigger free spins.

The **El Dorado Fortune Wheel** lowers down randomly to replace all instances of a low-paying symbol with a high-paying of Scatter Wild to deliver guaranteed wins.

In the **free spins** bonus game, a special symbol is selected which then acts as an expanding scatter and which can generate big payouts. If free spins retrigger an additional special symbol is added, with up to three active.
