Game Name: 15 Armadillos

GameID: 15Armadillos

Release Date: 20th January 2022

Immersed in the Florida's everglades, wild animals await **15 Armadillos**, a 5 Reel, 4 row, 243 way video slot featuring wild respins, Armadillo Link Bonus, enhancement pick accumulators, and five free spin choices.

Armadillo link brings players to a jackpot hunting area where each full column upgrades the jackpot you win. As these respins play out, armadillo coins award credits but can also spread more coins for instant jackpot upgrades, upgrade coin wins amounts, or award the sum of all credits on the screen. 15 Armadillos awards the top jackpot of 10,000x!

As pick accumulators increment for all animal wins in the base game, the potential in the free spins maxes out further and further. Before entering the free spins, enhancement picks are awarded with a variety of boosters including credits, instant jackpots, multipliers, extra locked symbols, higher animal win pays, boosted locks, guaranteed locks. With animal symbols locking during the free spins, starting off with enough of the right enhancement picks can lead to some insane wins to say the least.
