Release Date: 26th January 2022

The Great Sage is a high volatility and feature rich video slot games with 50 lines.

The Monkey King, known as Sun Wukong, is a legendary mythical figure best known as one of the main characters in the Chinese novel, Journey to the West. He's famous for his temper and his rebellious nature. In defiance to the Heaven, he proclaims himself to be **The Great Sage, Heaven's Equal**.

The Great Sage is inspired by the rebellious nature of Monkey King as **The Great Sage** that dares to challenge the Heaven and claims the treasure for himself.

The original gameplay features a series of clouds on top of the reels. The prize of the 3rd or the middle cloud can be won when the Bonus symbol appears on the 3rd reel. The game also features a unique personal jackpot bonus game where players can win the **Grand** jackpot of **100,000** times total bet! The game also benefits from the soundtrack inspired by the legendary tv series, and multiple exciting features such as re-spins with all wins are multiplied up to 10 times, random wilds, and random full wilds. There is nothing out there like **The Great Sage**.
