Game ID: AltarOfTreasures

Release Date : 17th November 2022

Altar Of Treasures is a medium volatility, 5x3 videoslot with Wild substitution and Free Spins feature.

Spirit meets matter under the roof of the Altar of Treasures.

Inspired by the spirit of the Orient and the wealth of legends, Altar of Treasures welcomes the visitor to a magical plane. Through the five elements of Feng Shui and the precious artifacts made by Chinese masters, the material and spiritual worlds meet, immersing the player in the essence of the East.

Altar of Treasures is a classic slot game where you spin the wheel to win. The visual theme of the game is inspired by ancient China and Feng Shui's elements. The game features Wild substitutions and Free Spins bonus feature.

After placing a bet, hit the Spin button to start a round in Base mode. Your goal is to get at least three matching symbols on the fixed pay lines - starting from the leftmost reel – to win. After a spin is completed, if three or more Scatter symbols appear simultaneously anywhere on the reels, Free Spins are triggered and a prize dependent on the number of Scatters that triggered these, is awarded! To maximise your winnings while free-spinning, additional free spins can be won and all winnings are doubled by a x2 multiplier.
